

Working together to:

- Help kids succeed and keep them safe
- Increase after school program quality and build the after school profession
- Meet the needs of working families

Connecticut After School Network

Our Vision

That every Connecticut child and youth will have the opportunity to participate in high quality, affordable after school programs.

Our Mission

To lead, educate and advocate for excellence in the after school field by building professionalism, strengthening program quality and increasing the availability and affordability of after school programs.

Making Our Vision a Reality

We provide:

- Conferences, trainings and technical assistance for after school program staff.
- Avenues for communication about after school issues.

We advocate:

- By raising public awareness about the importance of after school programs.
- For additional local, state, federal, public and private investment in quality after school programs.

We connect:

- New and existing after school networks at all levels: local, regional, state and national.
- After school programs and providers to training, research, curriculum and best practice resources.
- People across Connecticut to information and resources about after school issues.

Making the Connections for After School in Connecticut

Connecticut After School Network

Who we are...

The Connecticut After School Network is a state-wide partnership of after school professionals, organizations and other individuals who believe that all of Connecticut's children and youth should have access to high quality, affordable after school programs. The Network is partially funded by the Connecticut State Department of Education and the Charles Stewart Mott Foundation.
