

# CIRCULAR NIM

A two-person strategy game

SUPPLIES: game board  
13 markers

## DIRECTIONS

- \*Place one marker in each circle.
- \*Players take turns removing one or two markers. If you take two markers, they must be from adjacent circles.
- \*The player who takes the last one--or two--markers wins.
- \*Play several times with your partner and then discuss what you have learned about the game.
