

The Mini Pages

Writing Wheel

1. Think

I think about what I am going to write about. I can do this anytime, anywhere.

2. Organize

I organize ideas by making a chart, web or outline.

3. Write

On my first drafts, I don't worry about perfect spelling or punctuation.

I try to make it better. I read my drafts out loud.

4. Read and Revise

After I am satisfied, I check spelling and punctuation and make a neat copy.

5. Check and Copy

I share with friends, parents and relatives.
